

BUILD CALL TO ACTION: CALL YOUR COUNCILPERSON TODAY!

Port Covington is a once-in-a-generation deal, and BUILD is working to make sure that this 'city within a city' works to benefit ALL of Baltimore. BUILD retained the top fiscal impact expert in the country to review the TIF application, and we found cause for serious concern: underestimated costs, only the most optimistic projections, and a disturbing lack of basic information like a market analysis.

Sagamore Development and City Council President Jack Young want to fast track this deal--complete with the biggest TIF in Maryland history, and one of the biggest in the United States. Before the city puts itself on the hook for \$660 million over 41 years, we say: Slow down. Check the numbers. Be a good steward of taxpayer dollars, and make this a deal that helps to build ONE Baltimore.

TODAY

We are calling on BUILD members to **call council president Jack Young AND their councilperson today, and ask them to vote NO to the Port Covington TIF until:**

- 1. An independent analysis has been completed.**
- 2. Sagamore commits to the citywide benefits outlined by BUILD (profit-sharing, investment in neighborhoods and affordable housing, 51% local hiring, and holding education funding harmless).**

Thank you for acting to BUILD One Baltimore!
