Turnaround Tuesday Position Opening: Job Developer

Who we are:
Turnaround Tuesday, TAT, is a community-driven jobs movement, connecting local residents to a full spectrum of workforce and leadership development while simultaneously identifying and cultivating employers for local hiring. Since 2014, Turnaround Tuesday has connected over 700 people back into the workforce, many returning from prison and turning their lives around through training, new employment, and reengagement in their communities.

As a Job Developer you will:
• Join a diverse, creative team of workforce staff, human service providers, and community organizers.
• Cultivate and build relationships with prospective employers to hire TAT participants.
• Create multi-sector job pathways and hard skill partnerships directly related to forecasted quality job opportunities in Baltimore.
• Assess and match participants with employment opportunities, and support them in navigating the hiring process.
• Support the growth of full scale employment opportunities from immediate temporary jobs to long term high quality jobs.

You would be a good fit if:
• You have 1-3 years of experience in workforce development, human services, or career services.
• You thrive in cultivating relationships between people and institutions to support adults rebuilding their lives.
• You have demonstrated leadership, problem solving, and analytical ability through work or other interests.
• You are resilient and able to create solutions and new pathways to hiring processes where others see obstacles to moving forward.
• You value and are able to communicate effectively at multiple levels of an organization in both verbal and written form.
• You are a lifetime learner and enjoy being challenged to think differently.

We offer:
• Competitive wages, full-time benefits, and opportunities for growth and development!

TAT is working to advance economic opportunities for people returning home from incarceration and therefore welcome applications from people with convictions.
TAT is an equal employment opportunity for all regardless of race, color, citizenship, religion, national origin, sex, sexual orientation, gender identity or expression, age, disability, veteran or reservist status or any other category protected by federal, state or local law.
