Turnaround Tuesday Position Opening: Case Manager

Who we are:
Turnaround Tuesday, TAT, is a community-driven jobs movement, connecting local residents to a full spectrum of workforce and leadership development while simultaneously identifying and cultivating employers for local hiring. Since 2014, Turnaround Tuesday has connected over 800 people back into the workforce, many returning from prison and turning their lives around through training, new employment, and reengagement in their communities.

As a Case Manager you will:
• Join a diverse, creative team of workforce staff, human service providers, and community organizers.
• Provide individual assessments to participants to identify immediate needs, and develop a strategy with participants to address barriers to work.
• Address the well-being of participants, including people with health issues, addictions, disabilities, and housing issues or who have experienced trauma.
• Provide, communicate, and document a clear process with participants to connect to support and resources with timely follow up.
• Create strong working relationships with support networks, and community resources.

You would be a good fit if:
• You have 1-3 years of direct care experience in case management, human services, counseling, social work or a related field.
• You thrive in cultivating relationships between people and institutions to support adults rebuilding their lives.
• You want to organize and advocate for the development of programs or services that are currently inadequate to meet the needs of adults in Baltimore.
• You value and are able to communicate effectively at multiple levels of an organization in both verbal and written form.
• You are a lifetime learner and enjoy being challenged to think differently.

We offer:
• Competitive wages, full-time benefits, and opportunities for growth and development!

TAT is working to advance economic opportunities for people returning home from incarceration and therefore welcome applications from people with convictions. TAT is an equal employment opportunity for all regardless of race, color, citizenship, religion, national origin, sex, sexual orientation, gender identity or expression, age, disability, veteran or reservist status or any other category protected by federal, state or local law.
